DEFINITIONS

"COMMON AREA" means the entire Property except the Units as defined in the Declaration and as shown in this Condominium plan.

"CONDOMINIUM" shall, in accordance with California Civil Code Section 1351(f), mean and refer to an interest in the Property which shall include a separate interest in a Unit (together with such Exclusive Use Area and/or such other easements as may be appurtenant thereto) and an undivided interest in common in the Common Area.

"CONDOMINIUM PLAN" shall mean this plan, as amended from time to time, consisting of (1) a description or survey map of the project or portion thereof, which shall refer to or show monumentation on the ground, (2) a three-dimensional description of the project or portion thereof, one or more dimensions of which may extend for an indefinite distance upwards or downwards in sufficient detail to identify the common area, and each separate interest, and (3) a certificate consenting to the recordation thereof signed and acknowledged by the record owner of fee title to the project or portion thereof, and by either the trustee or the beneficiary of each recorded deed of trust, and the mortgagee of each recorded mortgage encumbering the project or portion thereof.

"DECLARATION" shall mean and refer to the Declaration of Covenants, Conditions, and Restrictions that encumbers the real property covered by this Condominium Plan, both of which may be amended from time to time.

"EXCLUSIVE USE COMMON AREA" means that portion of the Common Area that is reserved for the exclusive use of a particular Owner for the purposes described in the Declaration, Paragraph 6.1, Exclusive Right to Parking Space; Paragraph 6.2 Patios/Decks; and Paragraph 6.3, Internal or External Telephone Wiring.

Exclusive Use Parking Space is shown by "P" and the Unit number assigned to that Space.
Exclusive Use Patios/Decks is shown by "D" and the Unit number assigned to that patio/Deck.

Each such Exclusive Use Common Area shall be appurtenant to the Owner's Unit and may not be conveyed or transferred apart therefrom.

"MUTUAL RECIPROCAL EASEMENTS" shall be and refer to the right of entry, ingress and egress over, on and under the Common Area for access, emergency access and for drainage, sewers, and utilities and the maintenance of the same. Said Mutual Reciprocal Easements are part of the Common Area.

"PROPERTY" shall mean and refer to that certain property hereinabove described.

DEFINITIONS

CONTINUED

"UNIT" shall mean and refer to those elements of a Condominium that are not owned in common with the other Owners of Condominiums on the Property. The respective boundaries of the Unit, being shown and particularly described in this Condominium plan, deeds conveying the Condominiums, and the Declaration, include the interior unfinished surfaces of the perimeter walls and doors, windows, floors, and ceilings.

"Unit" does not include the wall between any conjoined Units, including the "wall" which acts as the ceiling of one Unit and the floor of another Unit (except for the surface area of any such Wall as described above), nor any plumbing within any such wall. Neither the roof nor the garage door shall be deemed to be within any Unit. Further, "Unit" does not include other interests in real property that are less than estates in real property such as exclusive or nonexclusive use rights or easements.

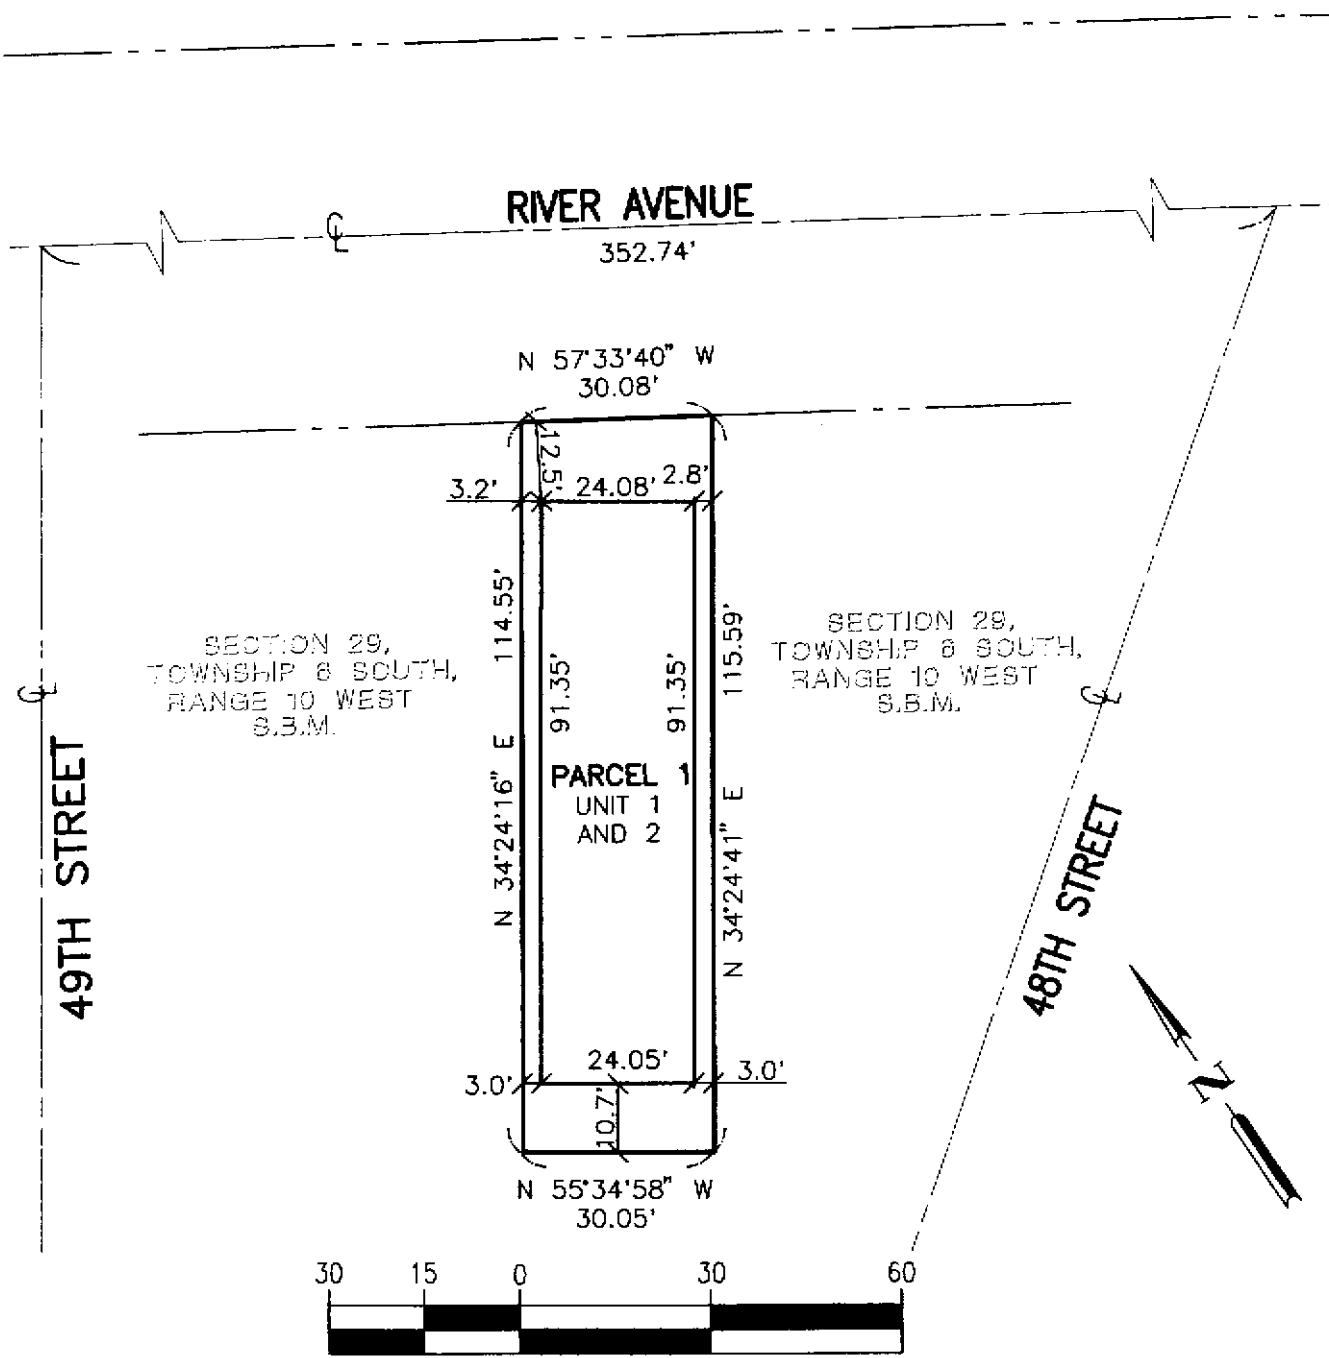

In interpreting deeds and plans, the existing physical boundaries of a Unit or of a Unit reconstructed in substantial accordance with the original plan shall be conclusively presumed to be its boundaries, rather than the description expressed in the deed or this Condominium plan, regardless of minor variance between the physical boundaries and those expressed in deeds or shown on the Condominium plan. Whenever reference to a Unit is made in the Declaration, in this Condominium plan, in any deed, or elsewhere, it shall be assumed that such reference is made to the Unit as a whole, including each of its component elements.

GENERAL NOTES

- 1) This Condominium Project is composed of the Common Area, and two Units, which are shown and identified herein as Units 1 and 2.
- 2) Each Unit shall have a non-exclusive easement appurtenant to their condominium for ingress, egress use and enjoyment on and over the Common Area.
- 3) Basis of Bearings:

As noted on the Parcel Map No. 2004-322, bearings shown hereon are based upon the bearing between O.C.S. Horizontal Control Station GPS No. 6286 and Station GPS No. 6285 being North 67°32'06" West per records on file in the office of the Orange County Surveyor.
- 4) For Boundary and Monumentation information, see Parcel Map No. 2004-322 recorded in Book 350, Pages 13 and 14, of Parcel Maps, records of Orange County California.
